Product Description

Oehlbach Alu Style is a modern, minimalist design that combines functionality with style. The stand is made of high-quality aluminium, ensuring durability and a long lifespan. Its curved shape allows for easy access to your headphones, while the stable base prevents tipping. The stand is suitable for various types of headphones, including over-ear, over-ear, and over-ear models. The stand is also suitable for use as a desk accessory or a Hi-Fi rack component. The stand is available in a variety of finishes, including black, silver, and gold. The stand is a perfect addition to any audio enthusiast's collection.
