Height	70mm

Product Description

The OEHLBACH Speaker Wire SP-40 is a high-quality stereo speaker cable. It features two conductors made of Oxygen-Free Copper (OFC) with a cross-section of 4.0 mm². The cable is designed for high power applications, supporting up to 400 W. It is highly flexible and durable, making it ideal for both professional and home audio systems. The cable is sold by the meter, allowing for custom lengths. The white outer jacket provides a clean, modern look. The braided copper conductors ensure excellent signal transmission and low resistance.
